

13th Max's Ride & Concert Benefiting ALS Research & Patient Services

Max Harrison was a man who fought two wars during his short thirty-six years of life. In the 1990's he served in the Army and was deployed to Desert Storm. The second battle he fought began at the age of thirty-two when he received the news that he had Amyotrophic Lateral Sclerosis (ALS) also known as Lou Gehrig's disease.

ALS is a neuromuscular degenerative disease that stops the brain from sending signals to the body's muscles. While the brain and the patient's senses (touch, smell, sight, hearing and taste) normally remain fully functioning, the patient's voluntary muscles begin to stop working and atrophy. Our bodies require muscles to do pretty much everything, including breathing. ALS is known to be terminal in 2-5 years from diagnosis. Since Lou Gehrig lost his battle with ALS over 75 years ago, very few research breakthroughs have occurred.

From the moment Max was diagnosed, he vowed to educate and raise funds for research and patient services. Max lost his battle with ALS in November of 2006 but with your help his legacy will live on across the USA.

As a company and/or corporation sponsoring Max's Ride ALS, what's it in for you?

- Funds you help raise go to research and patient services locally
- Your name is displayed prominently in a variety of ways as a caring contributor
- You personally help to continue Max's legacy on assisting patients and families affected by ALS
- A Tax Deductible receipt upon request from the ALSA Texas Chapter

Max's Ride will be held rain or shine on Saturday April 20, 2019 beginning at Cowboy Harley Davidson of Austin, Texas. Opening ceremonies will include a Salute to our Military prior to the Ride, Veterans information, and a DJ. A benefit Concert with an incredible Silent Auction will be waiting back at Cowboy Harley Davidson of Austin, TX when the riders complete the route. So even if you don't "ride" come on out for an amazing family friendly concert and a day filled with FUN!

Proceeds are donated to the non-profit organization-ALS Association, Texas Chapter to assist patients and families locally. 74-2678974 (501c3)
